If the current office holder is running for election/re-election, campaign materials are to be distributed only from their respective party's parade entry/float, and not from their individual entry/vehicle. The preceding restrictions shall not apply to any candidate for the Kentucky Court of Justice. Candidates for the Court of Justice may enter the parade through individual vehicles.

- As you enter the Parade Route, the driver must hold the Parade Entry ID Paddle where it can be easily seen from the left-hand side of the vehicle pulling the entry.

Your entry will not be judged if we cannot see your entry # as you approach the stage.
- **AT END OF PARADE:** In order to prevent traffic problems, accidents and injuries, you shall not return to the staging area. All entries will be directed by a Parade Official to either travel down Bethel Street or turn onto W. 5th to arrive at the “entry disembarking area” on South Winter Street. Then, the entries will follow South Winter Street to W. 9th Street, to leave the parade and staging areas.
